) United States District Judge

Presently before the court is pro se plaintiff Darrel A. White's second motion for reconsideration of the court's December 8, 2015, Order granting defendants' motion for summary judgment. The second motion for reconsideration is "nothing more than a request that the district court change its mind," which does not entitle him to relief. See, e.g., United States v. Williams, 674 F.2d 310, 313 (4th Cir. 1982). Plaintiff does not describe any sufficient basis to grant relief from the final order, and the second motion for reconsideration is **DENIED**.

The Clerk shall send a copy of this Order to the parties.

It is so **ORDERED**.

ENTER: This 21st day of January, 2016.
